Thank you for getting health plans to recognize this and pay! After two months of promoting this program to my members, we've generated over \$750 and we're just getting started. It will take some time for all the members to take the step to get registered -- but the effort is minimal and well worth it to the club!

Denise Donald, President, South Jersey Pickleball

SPA adopted this program because it brings new revenue to our club which helps with our various initiatives. Our members have embraced it and I recommend the program to any club.
